CALL FOR PROPOSALS
2017

PROJECT IDEAS

1- GENERAL INFORMATION

1.1 - PROJECT INFORMATION

NOTE: the asterisk above (in red or black) means the field is mandatory!

TITLE OF THE PROJECT SPANISH*	Text field

KEYWORDS SPANISH* (Maximum 3)	Text field. Control the three words

Department in which the project will be developed*

Lista desplegable

Indicate whether this proposal is being submitted or under evaluation at another funding source:

YES	
NO	

If you select "YES", deploy the following:

Specify:

Text field

DURATION IN MONTHS* [   ]

(Maximum 24 months)

TOTAL PROJECT COST*	This data is taken from the Budget section	100%
AMOUNT OF THE SUBSIDY REQUESTED TO THE ANII*	Idem	Idem
AMOUNT COVERED BY THIRD PARTIES*	Idem	Idem

1.2 - PUBLICATION SUMMARY

Present the most relevant aspects of the Project. It should be considered that the text entered in this item may be used in public documents and dissemination by the ANII, unlike the rest of the contents of this document, which is confidential.
Maximum 300 words.

Text field

1.3 - AREAS OF KNOWLEDGE AND TECHNOLOGY

AREA OF KNOWLEDGE[1] * LD
SUB-AREA OF KNOWLEDGE * LD
DISCIPLINE * LD
SPECIALTY * text field

Indicate in which of the following sectors and/or technology areas your project is developed. * (Select one option)

- Software, IT Services and Audiovisual Production
- Human and Animal Health (includes Pharmaceutical)
- Agricultural and Agroindustrial Production
- Environment and Environmental Services
- Energy
- Education and Social Development
- Logistics and Transportation
- Tourism
- Other
- None

Technology Area (Select one option)

- Information and Communications Technology
- Biotechnology
- Nanotechnology
- Other
- None

---

[1] Note: (*) The codes of the list with the classification of Areas, Sub-Area and Discipline are available in
http://www.anii.org.uy/upcms/files/clasificacion-areas.pdf

2.- HUMAN RESOURCES

HUMAN RESOURCES

Complete the following table for each of the Project members

All researchers based in national institutions must be registered in CVUy (CVUy access).

For each member the following must be completed:
- Role (Scientific Director, Scientific Co-Director, Researcher, Researcher to be hired, Support Technician, Support Technician to be hired, Consultant, Consultant to be hired, Visiting teacher, Intern)
- Name and surname
- Identity Document
- Country of residence
- Place of work
- Current position
- Workload
- Work address
- Province - City
- Telephone
- Email
- Time dedication to the project
- Months of participation in the project
- Description of the activities to be carried out in the project

If the member has any of the "to be hired" roles, the following must also be completed:
- Profile
- Dedication to the Project (hours per week)
- Description of the activities to be carried out in the project

If the member has the Visiting Teacher role, the following must also be completed:
- Number of trips
- Days per trip

3- PARTICIPATING ORGANIZATIONS

For each participating institution the following must be completed:

- Role (Proponent Institution, Foreign Applicant, Other Proponent Institution, Training Institution)

- Country of the organization
- Sector – Institution – Sub-institution
- Province
- City
- Address
- Email
- Telephone
- Web

4.- PROPOSAL SPECIFICATIONS

4.1 - DESCRIPTION, RELEVANCE AND APPROACH TO THE SOLUTION OF THE PROBLEM PRESENTED

- Describe the project clearly stating the importance of the proposed research and your ideas on why it should be carried out. Your description should include the main research questions and a clear answer to the question "what?", explaining how the study will make significant progress in the understanding of education, especially noting how the objective of improving educational practice will be advanced. To do this, you should locate your research questions in the existing literature and clearly explain what new knowledge you expect to obtain by answering these questions. Maximum 2000 words.

4.2 - BACKGROUND OF THE RESEARCH TEAM

- Describe the background of the work team in the line of research of the proposal submitted and results obtained so far. Maximum 500 words.

4.3 - ORIGINALITY AND CONTRIBUTION TO THE AREA OF KNOWLEDGE

- What original concepts does the proposal formulate? Justify project implementation within the current state of knowledge. Highlight the modalities or mechanisms with which the research inputs will generate an impact in the selected areas. Maximum 500 words.

5.- BUDGET PER ITEM

CURRENCY: URUGUAYAN PESOS

MAXIMUM AMOUNT: UYP 2,900,000

	ITEM	ANII ($)	OTHER CONTRIBUTIONS ($)	TOTAL COST ($)
ADE	Building Adaptation			
ADM	Administration Expenses			
BIB	Bibliographic Material			
CAP	Training			
CON	Consultants			
DIF	Promotion and Outreach			
DIV	Dissemination of Results			
EQL	Laboratory Equipment			
EQO	Other equipment			
IMP	Unforeseen expenses			
INS	Materials and Supplies			
PAS	Travel Tickets			
PPI	Intellectual Property Protection			
PRF	Visiting Teachers			
SER	Services			
SOF	Software			
TEC	Technical Staff			
VIA	Travel and Accommodation			
TOTAL ($)				

6 - ATTACHED DOCUMENTS

1 - Affidavit established in article 71 of Law 17.738 of 07/JAN/2004. Retirement and Pension Fund for University Professionals.*
Download template

2 - CVs of those members of the project who do not have CVUy. (Not required for Director, Co-Directors and national researchers since it is mandatory to have the CVUy)

3 - Letter of endorsement of the institution where the project will be executed*
Download template here

4 - Letter of endorsement of participating institutions (in case of having participating institutions in the project, this attachment is mandatory, an endorsement letter by each institution)

Download template here

5 – Letter of endorsement of the foreign applicant institution
Download template here
